

 social live

FOMO | fōmō | *noun*

Anxiety that an exciting or interesting event may currently be happening elsewhere, often aroused by posts seen on a social media website.

We know it. We have it. We found the cure.
#SocialLIVE—it's your weekly social media quickie, and there isn't a tweet, regram or post we aren't talking about. For the trending topics in tech, food, fashion, pop culture and more tune in every Wednesday at 10:00AM on Facebook.

ttyl!
(talk to you live)
